1. Introduction

- 1.1. The Queensland Mental Health Commission Act 2013 (Act) acknowledges the importance of partnering and engaging people with a lived/living experience in driving reform towards a more integrated, evidence-based, recovery-oriented mental health, suicide prevention, and alcohol and other drug service system.
- 1.2. For the purposes of this policy a person is considered to have a lived experience if they:
 - have a direct personal lived experience of mental ill-health and/or problematic alcohol and/or other drug use,
 - are a family member, carer or support person, if they have regularly provided unpaid, care or support, for a person with direct lived experience with a mental ill-health and/or problematic alcohol and other drug use, and/or
 - have experienced/experiencing suicidal thoughts, survived a suicide attempt, provided/providing care for someone who has attempted suicide, been bereaved by suicide, or been touched by suicide in another way.
- 1.3. The Act also acknowledges that the Queensland Mental Health Commission (Commission) should engage and consult with other members of the community to the extent that the Commissioner considers appropriate.
- 1.4. For the purposes of this policy a member of the community is an unpaid representative of a community or particular population group.

2. Policy statement

- 2.1. The Commission is committed to meaningfully engaging and partnering with people with a lived experience, and as appropriate, other members of the community in its work, ensuring that cost is not a barrier to participation.
- 2.2. Paid Participation is one of the ways the Commission recognises the valuable, specialised and expert contribution made by people who have a lived/living experience, and as appropriate other members of the community.
- 2.3. Paid Participation involves making a payment (a Paid Participation Payment) to acknowledge the contribution made by people with a lived experience, and as appropriate other members of the community, who have been personally invited to contribute to the Commission's work through participation in an approved activity (a Paid Participation Activity).
- 2.4. While the Commission acknowledges the contributions made to its work by people with a lived experience, and as appropriate, other members of the community, the Commission is unable to provide payments for all engaged activities. The Commission is required to exercise due diligence in the use of its resources and funding.

3. Purpose

- 3.1. This Policy outlines the Commission's commitment to Paid Participation by:
 - providing a Paid Participation Payment for a person's engagement and participation,
 - paying for reasonable travel and accommodation costs to allow these individuals to give their time and participate, and
 - reimbursing any reasonable associated out of pocket expenses.
- 3.2. This policy sets out the approach the Commission will take to Paid Participation, including:
 - who will be eligible for a payment,
 - the type of activities that will attract a payment,

- the amount of payment
- when payments will be made for reasonable travel costs, allowances and out of pocket expenses; and
- whether payments can be made in advance to enable participation.

4. Authority

4.1. This Policy has been approved and implemented in accordance with the *Act*. It supports implementation of the Commission's system reform strategies.

5. Application

- 5.1. This Policy applies to people with a lived experience (as outlined in paragraph 1.2) and, as appropriate, other members of the community (as outline in paragraph 1.4) who are directly invited by the Commission to participate in Paid Participation Activity.
- 5.2. In this Policy, people who are invited to participate in the Paid Participation Activity are referred to as Participants.

6. Eligibility

- 6.1. The Commission will only offer a Paid Participation Payment to Participants if they would not otherwise receive remuneration for their participation and have been invited by the Commission to participate in the Paid Participation Activity.

The activities categories are based on the indicators set out in the <u>Remuneration</u> <u>Procedures for Part-time Chairs and Members of Queensland Government Bodies</u> Regulation, Administration and Advice Categories. (This does not mean that Participants are considered part-time chairs or members of Queensland Government Bodies).
- 8.2. The Commission adopts the three-level definition of participation and associated activities below:

Level 1

Indicators: Regulatory and investigative powers. Registration, licencing or accreditation responsibilities. Significant influence on or reform of a particular industry, sector of the government or community or a profession

Examples: Cross government agency system reform steering committee, high level inquiry research projects.

Level 2

Indicators: Administration and management of a range of activities and resources. Research activities or independent expert advice on programs that impact the State of influence Government policy

Examples: Policy review research projects, presenting as a guest speaker to provide their perspective; acting as master of ceremonies (MC); system reform discussions, committees, selection panel; designing, preparing and/or facilitating a discussion group, activity or event; reviewing and providing feedback on Commission information, material or reports; writing policy reports, resources, articles, brochures, presentations, newsletters or any other documents.

- 9.2. Paid Participation Payments will be based on the nature of participation and engagement at the following rates:

Participation level	Level 1	Level 2	Level 3

The person is eligible to receive the whole day rate for a total of 6 hours.

9.4. Paid Participation Payments made for a Paid Participation Activity that occurs over two or more days will be made at each significant milestone in the activity as agreed with the Commission.

Example

A person is a member of a Reference Group which will be established for six months. The Reference Group meets three times. The Paid Participation Payment should be claimed and paid after each meeting.

- 9.6. For children under the age of 16 years, payment must be negotiated in advance and preapproved by the Commission in consultation with the relevant parent or guardian.

In circumstances where a family member, unpaid carer, friend, support person, parent or guardian is required to attend or wait for a Participant who is participating in a Paid Participation Activity, the Commission will consider making a Paid Participation Payment to that person. This will be negotiated with the person prior to the Paid Participation Activity occurring. (All other payments and allowances will be in line with other sections of this Policy).
- 9.8. Where a third party is engaged by the Commission to undertake work on the Commission's behalf which meets the definition of a Paid Participation Activity as outlined in this policy then the third party will be required to pay Participants fees equivalent to the Paid Participation Payments outlined in this Policy. Funding arrangements with the third parties should reflect on this requirement.
